

continued compliance with GE Aviation requirements:

Source: 47081 ELEMENT MATERIALS TECHNOLOGY Certificate: CERT001868

inspection of the facilities for which this certification is granted may be conducted at any time by a GE Aviation Representative. Samples or other items as contained in specifications, engineering drawings or Purchase Order will be compared to the acceptance of articles produced for the General Electric Company. Requirements for the submission and quality of articles as to inspection, testing, maintenance of records, and/or other provisions of the Purchase Order/Shop Contract, GE Aviation Quality Specification 2-1000 for Category I or II Suppliers. This does not in itself constitute a waiver of process(es) and found them to be capable of satisfying the requirements of the above specifications, subject to the requirements of the Purchase Order/Shop Contract. This is to certify that a review has been completed of your technical resources and quality system controls used
