

continued compliance with GE Aviation requirements.

Inspection of the supplier for applicable certifications for the production of assemblies or other items as contained in specifications, engineering drawings or Purchase Order will be complete only if a GE Aviation Buyer's acceptance of articles produced for the General Electric Company. Requirements for the submission and duration as to inspection, testing, maintenance of records, and/or other provisions of the Purchase Order/Shop Contract, GE Aviation Quality Specification 2-1000 for Category I or II Suppliers. This does not in itself constitute a waiver of process(es) and found them to be capable of satisfying the requirements of the above specifications, subject to a review of your technical resources and quality system controls used.
